“Living in Victory”

Esther 9:1-19

Today's BIG IDEA:

In Christ, we can be confident of complete victory.

1. A victory for the JEWS

2. Our victory in JESUS

A. We have victory, even when our circumstances don't seem _____ (v.1-10)
(Deuteronomy 20:1,4)

- *In times of difficulty, it doesn't matter what the odds are. It matters who your God is.*

B. We have victory as we trust in someone _____ (v.3-4)
(1 Corinthians 15:57-58)

C. We have victory as we _____ together (v.2)
(Hebrews 10:24-25)

D. We have victory, but we should still show _____ (v.6-10,15,16)
(Galatians 5:13-15)

- *We cannot walk in victory and vengeance at the same time.*

E. We have victory, so we should celebrate with _____ (v17-19)
(Psalm 100:1-4)

- *If God has given you victory, don't ever get over it!*

APPLICATION QUESTIONS:

1. When has God given you victory when your circumstances seemed overwhelming? How does that strengthen your faith?
2. How has the church been a support to you in your battles? How should this lead us to support one another?
3. Is your life a reflection of the victory that is in Christ? How can you better celebrate who God is and what he's done?
