“More Than a Miracle”

Matthew 8:1-17

Today's BIG IDEA:

The miracles of Jesus point to the greater mission of Jesus.

1. These miracles show us Jesus' _____

A. Jesus has authority over _____ (v.1-3,14-16)

B. Jesus has authority over _____ (v.5-10,13)

2. These miracles show us Jesus' ACCESSIBILITY

A. Jesus healed a _____ (v.1-3)
(Leviticus 13:45-46)

B. Jesus healed a _____ (v.5-10,13)
(Acts 10:28)

C. Jesus healed a _____ (v.14-15)

- The power and grace of Jesus are available to all, not just a select few.

3. These miracles show us Jesus' AIM

A. Jesus wasn't trying to get _____ (v.4)

B. Jesus was trying to teach _____ (v.10-12)

C. Jesus was coming as the _____ (v.17)
(Isaiah 53:4-5)

- Jesus' primary purpose wasn't to bring physical healing. It was to bring spiritual healing.

APPLICATION QUESTIONS:

1. Why did Jesus perform miracles if that wasn't his primary purpose? Why do we see so many miracles listed in Scripture?
2. How do the three miracles Jesus worked in today's passage teach us that Jesus cares for all? What do we have in common with each of the people Jesus healed?
3. Jesus obviously has the power to heal any disease. So, why doesn't he perform miracles every time we ask him to?
