## “When Jesus Called His Shot”

Matthew 9:1-8

### **Today's BIG IDEA:**

***Jesus' supernatural ability proves his sovereign authority over sin.***

**1. Jesus is \_\_\_\_\_ when we come to him in**

\_\_\_\_\_ (v.1-2)

(Mark 2:1-4; Matthew 11:28)

**2. Jesus \_\_\_\_\_ to give us**

\_\_\_\_\_ (v.2b)

(Luke 19:10)

**3. Jesus \_\_\_\_\_ religious**

\_\_\_\_\_ (v.3-4)

(Mark 2:6-7; Luke 15:7)

- *If you can't celebrate when someone finds forgiveness in Christ, you don't have a fervent faith. You have a fake faith.*

**4. Jesus \_\_\_\_\_ his authority to**

\_\_\_\_\_ (v.5-7)

(2 Corinthians 5:21))

- *If Jesus could make paralyzed legs walk, then Jesus can also make a sinful heart whole.*

- *Jesus doesn't just have the authority to forgive sins. He has the \_\_\_\_\_ to forgive sins through the gospel.*

**5. Jesus can be \_\_\_\_\_ or he can be**

\_\_\_\_\_ (v.8)

### **APPLICATION QUESTIONS:**

1. Why did Jesus address the paralytic's sins before he addressed his illness? What does this show us about Jesus' priorities? What do we tend to prioritize when we pray?
2. What is the most amazing thing you've seen God do in your life or the life of someone you know? How does his power provide proof of his character?
3. The scribes saw a miracle and still denied Jesus' authority. How did this happen? How are we like the scribes?
