“Bread and Belief”

Matthew 16:1-12

Today's BIG IDEA:

Only Jesus saves and satisfies. Everything else is secondary.

1. Don't _____ the greatest

_____ (v.1-4)

(Matthew 12:38-40)

- *Jesus didn't come to give signs. He came to give salvation.*

2. Don't _____ our greatest

_____ (v.5-10)

(Matthew 6:30b-33)

- *Jesus wasn't worried about the disciples' lack of bread. He was far more concerned about their lack of belief.*

3. Don't _____ the greatest

_____ (v.11-12)

- *The gospel teaches us that the only way to get our hearts right is to humbly admit we'll never be righteous apart from Christ.*

APPLICATION QUESTIONS:

1. What are some “signs” from Jesus that people tend to miss?
What important teachings of Jesus do people misunderstand?
2. What things do you tend to worry about more than your spiritual condition? Why do we focus on our physical needs more than our spiritual ones?
3. What “leavening” do we need to be on guard against today?
What are some teachings of the world that Christians need to beware of?
