“A Match Made in Heaven”

Matthew 22:23-33

Today's BIG IDEA:

We can be sure that resurrection life is the best life.

1. A creative _____ (v.23-28)
(Deuteronomy 25:5-6)

2. A concise _____ (v.29-32)

A. The Sadducees didn't know the _____
of God (v.29,31-32)
(Exodus 3:6)

B. The Sadducees didn't believe in the
_____ of God (v.29-30)

3. Some clear _____ (v.33)

A. We should study God's word in _____
(2 Timothy 3:16-17)

- We should study God's Word in such a way that we learn what God actually says rather than what we want God to say.

B. We should trust in God's power with _____
(Ephesians 3:20)

- The power of God is not limited to the mind of man.

C. We should hope in the resurrection with _____
(1 Corinthians 13:12; 15:16-19; Revelation 21-22)

- Resurrection life will be better than anything we can imagine.

APPLICATION QUESTIONS:

1. How can we study God's Word objectively? How can we learn what God's Word really says versus what we want it to say?
2. What are some questions that people ask to “disprove” the existence of God? How can we confidently refute those questions?
3. What part of resurrection life are you looking forward to the most? How does God's Word give us hope regarding eternity?
