- *In this day of technology, travel, and communication, we have the ability to reach every corner of the world with the gospel. The question is, why haven't we?*

- *We're not responsible for deciding when Jesus comes back, but we are responsible for declaring the gospel so that he will come back.*

APPLICATION QUESTIONS:

1. Of the signs that Jesus mentions, which ones do you see present in the world today? How so?
2. How can believers have peace amidst the growing difficulties that Jesus mentions as prerequisites to his return?
3. What is limiting you from sharing the gospel? What is limiting the church from taking the gospel to the world?
