“What Do We Do with Jesus?”

Matthew 26:1-13

Today's BIG IDEA:

Our perspective of Jesus determines our response to Jesus.

1. Jesus' _____ (v.1-2)

2. The leaders' _____ (v.3-5)

- *The religious leaders were more worried about preserving their own status than preventing their own sin.*

3. The woman's _____ (v.6-7)

(Mark 14:4; John 12:1-2)

4. The disciples' _____ (v.8-9)

(John 12:4-6)

- *The disciples were more concerned with the worth of the perfume than the worth of Jesus.*

5. Jesus' _____ (v.10-13)

- *The woman could have done many good things with that ointment, but she chose to do the best thing.*

6. Our _____

A. The religious leaders (v.3-5)

Their perspective: They saw Jesus as a _____

Their response: They rejected Jesus and sought to get him out of the way

- *We are like the wicked religious leaders when we see Jesus as an obstacle to our desires rather than the object of our worship.*

B. The disciples (v.8-9)

Their perspective: They saw Jesus as _____

Their response: They questioned Jesus and put their agenda before his

- *We are like the foolish disciples when we try to force Jesus to follow our will rather than yielding to his.*

(continued on back)

C. The woman (v.6-7)

Her perspective: She saw Jesus as _____
and _____

Her response: She gave her all to Jesus in worship.

- *We are like the faithful woman when we put our faith in Jesus and yield everything to him.*

One Important Question:

?

APPLICATION QUESTIONS:

1. How have you had an inaccurate perspective of Jesus? What needs to change? How?
2. Jesus said that the woman would be remembered for her offering. How will others remember you? What will your legacy be? Is that the legacy that Jesus wants for you?
3. What is your answer to the "one important question" at the end of today's sermon? What do you need to do to make that happen?
