“The Mob Mentality”

Acts 19:21-41

Today's BIG IDEA:

The way of the cross goes against the way of the crowd.

1. The world will fight against our _____ (v.21-23)
(John 15:19-20a)

- You can't faithfully follow the Lord without disturbing the status quo of the world.

2. The world will fight for its _____ (v.24-27a)
(1 Timothy 6:10)

- You find out how people really feel about the gospel when it starts to affect their bank account.

3. The world will fight for its _____ (v.27-34)
(Exodus 34:14; Isaiah 42:8)

- God will share his throne with no one else.

4. The world will fight in its _____ (v.35-41)
(Jude 18-23a)

- Satan loves to get the world to resist the gospel without realizing that they are rebelling against God.

APPLICATION QUESTIONS:

1. How has following Christ led to “disturbances” in your life? What has been the cost of following Jesus for you?
2. How might you be tempted to “go with the flow”? Are there any areas of your faith in which you might be compromising so that you don't offend those around you?
3. What “gods” are most prevalent in our culture? How can we show that Jesus is better than these things?
