“The Way Home”

Acts 21:1-16

Today's BIG IDEA:

As we journey home, the Lord will show us the way

1. The Spirit will _____ us all the

way (v. 1-4a, 7-8a, 15)

(Hebrews 11:16)

- Our destination isn't Paul's Jerusalem; it's the new Jerusalem, and there will be many stops along the way.

2. The church will _____ us along

the way (v. 4-9, 15-16)

- Paul didn't complete his journey by himself, and neither can we.

3. The devil will _____ us along the way (v. 4, 10-12)

- Satan can use well-intending believers to unintentionally lead other believers into disobedience.

4. The will of the _____ is the best way (v. 13-14)

- Obeying God's will is always better than achieving our wants.

5. The example of the _____ shows the way

(Matthew 4:8-9; 16:21-23; 26:39, 42; John 12:1-3)

- Paul's path was Jesus' path.

(Application questions on back)

APPLICATION QUESTIONS:

1. Who are some believers that have helped you in your spiritual journey? How can you follow their example for the people around you?
2. Have you ever been tempted to not follow through with something you knew God was leading you to do? What happened? How can you guard against giving up?
3. How do the examples of Paul and Jesus motivate you to faithfully follow God's will for your life?
