“The Sermon on the Steps”

Acts 21:37-22:29

Today’s BIG IDEA:

Even persecution provides a platform to proclaim Jesus.

1. _____ in _____ (21:37-39)
(Matthew 5:44-45a; Romans 10:1-2)

- Lost people aren't our **opponents**. They're our **objective**.

2. _____ through _____ (21:40-22:3)
(Colossians 4:6)

- If you're going to plant gospel seeds, it helps to plow the soil first.

3. _____ your _____ (22:4-16)
(Mark 5:19b; Acts 9:1-18)

- God can use your story to help others know the greatest story.

4. _____ your _____ (22:17-21)
(Matthew 28:19-20; Acts 9:19-30)

- Every converted Christian is a commissioned Christian.

5. _____ your _____ (22:22-29)
(Luke 21:17-19)

- We are citizens of the Kingdom of God. Not a hair on our heads can be harmed without the King allowing it.

(Application questions on back)

APPLICATION QUESTIONS:

1. How do you typically view the lost people around you? With disdain? With judgment? How can you grow in your compassion toward them?
2. What are some ways you can contextualize the gospel to the people in your circles? How can you be strategic without being manipulative?
3. Are you faithfully telling others about Jesus? If not, why not? How can you overcome those obstacles?
