“This Is My Story (Part 2)”

Acts 26:24-32

Today's BIG IDEA:

God can use your story to help others know the greatest story.

REVIEW OF PART 1 (Acts 25:23-26:23)

1. Share your CONVERSION (26:2-23)

- Some of the greatest evangelistic tools we have aren't polished sermons—they're personal stories.

A. BEFORE you met Christ (v.4-11)

B. HOW you met Christ (v.12-18)

C. SINCE you met Christ (v.19-23)

2. Share with _____ (v.24-26) (1 John 1:1-3)

A. We have _____ evidence

B. We have _____ evidence

C. We have _____ evidence

- Our testimony is a real story about a real God who made a real way for us to have a real relationship with him.

3. Share in _____ (v.27) (1 Peter 3:15-16)

- The best method of evangelism isn't to talk **to** people about Jesus; it's to talk **with** them about Jesus.

4. Share in _____ (v.28-29) (Romans 10:1)

- The more you love someone, the more you ought to share your story with them.

5. Share in all _____ (v.30-32) (Acts 23:11; 2 Timothy 4:2)

- Paul wasn't going to Rome by mistake. He was going by divine appointment.
- There's never a bad time to tell someone about Jesus.

(Application questions on back)

APPLICATION QUESTIONS:

1. What hesitations do you have about sharing your testimony with others? How can you overcome these hesitations?
2. Do you have the same level of concern for lost people that Paul did (v.29)? If not, why not? How can you grow in your compassion for the lost?
3. How have you seen God give you specific opportunities to have spiritual conversations? How can we keep our eyes open to these conversations on a regular basis?
